

Greenland is looking for GPs

Medicolink is planning to arrange a roundtable-meeting with Greenland Health Care representatives and European GPs in Budapest in the beginning of 2012, for which the most suitable applicants will be invited. This will not be a job interview as such, but a personal meeting, where the management from Greenland hospitals can meet interested candidates, and where the candidates might get a wider overview about their perspectives in Greenland. In case of mutual interest, there will be possibility for further dialogue.

Requirements:

- A minimum of 5 years experience
- Professional command of English is required
- Motivation for living and working in Greenland for a number of years
- Experience in obstetrics and gynaecology, pediatry, minor surgery and psychiatry

Advantage:

- Second specialisation in the field of Obstetrics and Gynaecology / Pædiatry / Psychiatry

You are offered (in case of successful recruitment)

- A 6 month language course and Danish Medical Language Program in Budapest with compensation for lost income
- Cultural teaching prior to departure
- Basic salary: approx. 6,910 Eur (gross per month)
- Additional allowance for duties between 2,680 and 3,350 Eur depending on the amount of duties and the amount of specialists in the district
- 5 weeks paid holiday
- 5% from the total salary and an additional 10% of the basic salary is paid into the Physicians' Pension Fund
- Approximately 40 hours of work per week
- Assistance in administrative processes
- Accommodation assistance: the employer provides apartment for the employees to rent
- All expenses for recruitment, language training and integration will be covered by Medicolink

Partner Programme and Family Integration:

- Danish course and Family Programme in Budapest
- Partner Programme with integration consultant
- Help with schooling and child care
- Information on tax matters in Greenland
- Hotline service for urgent questions
- Extra Danish classes after arrival to Greenland
- Coaching, regular evaluation and assistance in the integration process

Additional information about the position and Greenland:

Financing transport to and from Greenland in addition to your household effects is object to individual agreements.

Tax rates:

- Between 42 and 45 % depending on the municipality.
- Standard deduction of 645 Eur per month. There is a flat rate tax in Greenland.
